STATINTL

1. Kilgore -

2. Discussed the request of the Select Committee on Foreign Aid for declassification of the panel of six maps of Communist-controlled China, 1945-47, with The maps will be furnished the Committee provided ORE concurs in their declassification from confidential. However, unless the Committee makes further requests, more recent maps on the subject will not be furnished. Telephoned Miss Phyllis Lucktenberg of the Committee staff that, subject to possible hitch, the maps would be furnished, and requested that they submit their request in writing.
